Looe Community Land Trust

Please Join Us!!!!

We are a new organisation in Looe, set up by local people. Our first target is to support the Three Seas project to save the Coastguard Flats, but we have wider ambitions than that.

Our Aims:

- To ensure that the Coastguard flats provide housing for local people
- To ensure that as much of the work as possible goes to local contractors
- To engage with local people and provide future support for housing needs
- To engage with businesses to raise awareness of housing needs
- To expand into other housing projects

Membership is:

- YOUR opportunity to support Looe CLT to make this project happen
- YOUR opportunity to help create similar housing options in the future
- YOUR opportunity to help safeguard local housing for local people

Please consider a minimum £1 payment, or amount of your choice, for membership to support your local CLT.
